Events

Set over three floors, The Prince can comfortably accommodate 750 people. The layout and design of the venue is deliberately versatile, meaning we are able to curate the perfect space for your event's specifications.

Looking to get out of the office to host a meeting? Our top floor is quiet and secluded, with plenty of light. Need somewhere beautiful and tranquil for an exhibition? Our floral garden with its retractable roof fits the bill perfectly.

Organising the whole company party and need somewhere you can blow the doors off? We have 3 bars to choose from, each staffed by our expert and attentive team who are used to facilitating the good times. The Prince is a truly adaptable event space, and we relish the opportunity to bring our clients vision to life.
